I graduated in Spring 2018 and sat for and passed the Uniform Bar Exam Summer 2018 (first attempt). I was sworn in April 2020 so I am about to enter my 4<sup>th</sup> year as a licensed attorney in NYS. I've worked in No Fault Auto defense, medical malpractice defense. From July 2022 to August 2023 I worked as Plaintiff's attorney in Personal Injury/General Liability with main case load specializing in Auto Accidents and Premise liability. As Plaintiff's attorney I settled 1.1 million in settlement awards for Plaintiffs in 2023 alone.

Throughout my undergrad studies as well as during my tenure at Touro Law Center, I had an interest in Politics. In 2012 my senior year at USF, I interned at Tampa City Council as a legislative aide under Councilman Frank Reddick. I did the same for Suffolk County Legislator William J. Lindsay III in 2016.
